IELTS Up Words!

Lesson 9: Leisure

Leisure

Hello there! I am Yasi from Lingemy.com, and you are listening to the ninth lesson of IELTS Up Words! In this lesson, we are going to talk about what we do in our free time! Well, I know some of us don't have any free time. Some of us work around the clock and then spend a week or two in a city like Prague, which makes a romantic and vibrant city-break destination to soak up the atmosphere, or in Greece to unwind on golden sandy beaches.

That is great! But some of us can't afford it and instead fill up our free time with recreational activities like fishing and reading. In this lesson, I want to know what kind of hobbies you follow. So, listen to the following question and answer it the best way you can.

What do you like doing in your spare time?

Well, in my free time, I pursue a few hobbies, like photography and sometimes quilting. Yeah, quilting! It appeals to me because it fulfills my need for creativity. Plus, you can do it anywhere, even when you are lazing around at the beach or in a park! And as for photography, I developed a particular liking for it by looking at these amazing photographs on Instagram. They inspired me so much that I decided to sign up for a photography class to learn the basics. I don't follow these hobbies just for fun, I think they are a medium for self-expression and provide me with so much personal fulfillment.

Speaking Tip

The Why Technique

- This technique helps you come up with new ideas faster and improves your reasoning.
- Think of everyday matters and then ask why.
- For example, look at your home and ask, “Why do we live here?”
- Look at your body and ask, “Why do I have two hands?”
- Then, answer your question and develop it as much as you can.
- Make a habit of doing this to see amazing results.
